## President's Message

Let me take this opportunity to welcome you to the year of growth, rejuvenation, and empowerment for the New Orleans District UWF. The Leadership Team is planning to re-engage present members and capture new members. However, the success of the events depends on each woman in the New Orleans District.

Review the Calendar of Events. You will see a new approach to help the district grow, rejuvenate, and empower women: **SOUL Care Retreat**. Share the calendar with members in your church, workplace, community, hair salon, clubs, and organizations.

Let us all make a personal commitment to empower ourselves and other women "in Faith"! As "United Women in Faith", we will move the district to greater heights!!

Yours in Christ (and with faith)!

Dr. Angelique White-Williams
